

AARON DILORENZO

Bethlehem, CT

(203) 501-7252 | dilorena@union.edu | [diloaaron.github.io](https://github.com/diloaaron)

Education

Union College

Bachelor of Arts in Economics

GPA: 3.54; Minors: Data Analytics, Latin

Class of 2026

Schenectady, NY

Professional Experience

S.J. Rupe Carpentry

May 2021 – Present

Residential Carpenter

Litchfield County, CT

Full-Cycle Additions: Built multi-room residential additions from the ground up, handling site prep, concrete footings, framing, roofing, and weatherproofing.

Structural Modifications: Executed complex field adaptations, including installing load-bearing beams for open plans and altering concrete foundations for plumbing integrations.

Autonomy & Layout: Independently managed complex framing and site preparation, including solo-framing two floors of a three-story barn renovation to strict structural tolerances.

Site Coordination: Coordinated with subcontracted trades and resolved on-site layout conflicts to minimize schedule delays and rework.

Projects

Predictive Schedule Modeling

(forthcoming) ML model forecasting permit-to-sign-off timelines from DOB NOW filings to identify project delays

Advanced Statistical Analysis

(Senior Thesis) Econometric analysis of global innovation outcomes leveraging two-way fixed effects and ZINB models

Spatial Data Visualization

GIS analysis mapping unconventional energy development against induced seismicity trends in Texas

Technical Skills

Proficient in R, Quarto; familiar with Procore, Excel, Tableau, MS Office Suite, L^AT_EX, Adobe Suite

Experienced analyzing large, tabular datasets: *NYC DOB*, *PATSTAT*, *FracFocus*, *USGS*, *TexNet*, *WDI*, *OECD*

Additional Experience

Alumni Gym Supervisor, Union College

Managed facility operations and student workers, ensuring safety and positive patron experience.

Economics Faculty Search Committee (Student Representative), Union College

Evaluated visiting professor candidates through mock lectures, synthesizing structured feedback to inform final hiring decisions.

Varsity Football, Union College

Developed teamwork, discipline, and hard work ethic through competitive collegiate athletics, contributing to team success and personal growth
